

**HARMONIC RESONANCE**  
**The Creation of the Universe**

*Through the woods wandering paths  
 And the winds of wisdom's maths  
 I was lifted into a listening Light  
 Of quantum dancing bright:*

In gorgeous golden halos gifting Love  
 O'er arias of octaves oscillating above  
 Resonating in time of no time  
 In pure mathematical rhyme  
 The universe sings a song of *amore*  
 Opening a door within a door

The *Maestro* motions for all whom hears  
 Manifesting the music of the spheres!  
 Beaming streaming a sunrise symphony  
 Ordaining to orchestrate  
 The opening of heaven's gates!!!

*Luminoso con spiritoso libero!*

The music crescendos as the luminous luster enfolds  
 Releasing incandescent silvery stars glittering with golds  
 Florescent crystals prism rainbow spectra-band suns  
 Auspiciously igniting icosahedrons and dodecahedrons  
 Composing circles squares triangles and octahedrons  
 'Chi' generating resonating radiant star tetrahedrons  
 Polychromatic polyhedrons posing in pictograms  
 Elucidating energetic infinite effluent info-grams:  
 The *Maestro Magnifo* signs to align  
 A performance oratorio divine!

Interconnecting informing interchanging with one and other  
 Transient trans-mutating intangibly tangible tonal color  
 Transforming, transferring transmitting  
 Ethereal frequencies emitting  
 Illuminating nature's code  
 In numerical musical mode!

The *Maestro* mystically magnifies the participants' prismatic presence

Emphasizing an all-pervading polytonal perfumed essence  
 Featuring festive flourishing fields of holographic harmony  
 Conducting dynamic, magnetic, quantum and plasma energy!  
 Architecting artwork vibrant in vacillating vivid life forms  
 Of symbiotic self-similarity fractals seeding '*Mandelbrots*'!  
 Polarizing plasma pulsating in perpetual motions  
 Prevailing and palpating the planetary oceans

Flamboyantly formulating phenomena !  
 Colorfully designing the mystical mandala  
 The *Maestro* depicts patterns aesthetically  
 Resonating and reflecting resplendently  
 Sphered spinning energy rotating and revolving around-  
 Entrancing and enrapturing with "Light" and sound!

Geometric form eternally rhythm'd in actions and reactions  
 Reflecting luminous patterns of rainbow'd refractions!  
 The *Maestro Manifico* seers a celestial wand *grandioso*! –

***Manifesting a Sixty-Four Star Tetrahedron!***

*'Vector Equilibrium'*

*"Heaven directs from all sides!"*

*I took a deep breath and looked all around  
 And as I listened I heard an eternal sound  
 I looked and looked deep inside  
 Where infinity gazed back on the universal tide!*

*Diamond Designed  
 Reflecting the divine  
 Omnipotence chimed!*

In multi dimensional space and time  
 Commissioned in motions of mime  
 Bright and brilliant colors emanate  
 Florescent and magnificent!  
 Epiphany omnificent!  
 A sensational celestial symphony  
 Mirroring metaphysically  
 Empathetically  
 Painting a perceptive pallet pastel'd lens  
 Light and music project in polytonal gems

Of pearled and crystalized formations  
 Merging “*Merkaba*” equating intonations.  
 The maestro illustrates a multidimensional spectra show  
 Radiating a luminescent and iridescent glow  
 Of musical mandalas mirroring infinite law  
 Mystically, magically moving in awe!

*Luminous!*  
*Omniferous!*

In celestial song the universe sings out  
 Divining the devout  
 In destiny’s call  
 Encompassing all!

**OM**  
**AUM**

Transcending  
 Kaleidoscoping  
 Auric auras radiating and emanating  
 Prana pervading resonating  
 Omniscient crystal luminescence  
 Effulgent ethereal incandescence  
 Limitless infinite eternal bliss  
 Orgasmic breathe of the universe!  
 Mantra chants and tantric dance  
 Alpha beta delta and theta  
 Ad astra!

*Buddha Bliss – Joyful Wisdom*  
*Kwan Yin – Compassion*  
*Enlightenment!*

Life’s legacy transcending time  
 In no time in time of rhythmic rhyme  
 Cultivating circulating caressing the Divine  
 Luminous waves of vascillating vibrations  
 Fern fluctuating in fibonocci formations  
 In fields’ frequencies of fundamental foundations!

*I hear  
 The atmosphere  
 I see the way  
 Of night and day  
 The yin and yang  
 And verses sang  
 Cosmic resonance celestial space  
 Propagating all the race  
 In quantum dancing bright  
 "Then there was Light!"*

The music's persuasive pleasure  
 Motivates a melodious measure  
 Presenting 'Pastoral's' picturesque theme:

*'The Sunrise Beam!'*  
 Featuring flowering flora  
*Growing!*  
 Aurora's sunrise  
*Glowing!*  
 Rivers running  
*Flowing!*  
 Birdsong  
*Whistling!*  
 In dewdrops  
*Glistening!*  
 In condensation's mist  
*Photosynthesis!*

From celestial seas to molten mountain  
 Lakes, rivers, oceans and fountain  
 From liquids, solids, gas and matter,  
 To the rain's pitter-patter!

Maestro *Magnifico* manipulates the show....  
 Multiplying magnifying enhancing the glow!  
 Seducing celestial seraphims' sings  
 Whispering from wondrous wings  
 The music swings!

*Dolcissimo*  
 'Canon Contata Chromatico'

The angels' ethereal choir choruses  
 With golden essence resonating from within!

*A lovely Seraphim Expression  
 Awakening the call of Heaven!*

The show platforms pandering to the audience  
 Seducing surreptitiously each and every sense  
 The music lulls into a luxurious melody  
 Echoing expressions of ethereal harmony  
 In polychromatic spectral sprays  
 The Maestro resonates radiant rays!  
 Illuminating "Metatron" cubes  
 In sensational "Sandalphon" tonal tunes.....  
 Musical mandalas mirroring infinite law  
 Mystically, magically moving in awe!

*This is the lesson!  
 The universe within the universe  
 All within all  
 Above and below the spinning ball  
 "As above so Below"*

Round running 'round  
 Synchronizing the spectrum's sound  
 Within  
 Without  
 Microcosmic  
 Macrocosmic  
 Oceans of infinity  
 Refractions reflecting resplendent in harmony!  
 In tempo'd time of polychromatic pulsations  
 Instigating to inspire inducing imaginations'  
 Fancy formulas' flourishing fluorescent fan-  
 Stretching streaked in a supersonic splendiferous span!  
 Darning dyes  
 In rainbow'd skies  
 Chromatic tonal spectrums' legacy  
 Of curved space time odyssey  
 From quirky little quarks *quintessence*  
 To quantum's curious dancing presence!  
 Brilliant colors converging and flowing

*Connecting all - gathering the glowing!*  
*Energy.....!*  
*You see?*

Suddenly cymbals c-l-a-s-h !  
 Driving data to dash  
 Encoding  
 Decoding  
 Winds walloping...w-h--u-s-h!  
 Thrusting through the galactic push  
 Through interstellar and intergalactic space  
 Where volumes of velocity set the pace  
 Into mirrored ratio magnetic fusion –  
 And then just to cause confusion:

*Do you think this could all be an illusion?*

*Wait....*  
*What and when is the date?*  
*Which?*  
*Pitch?*

*Allegro forza!*

Worming, turning time and space  
 Warping wrinkles switch the pace  
 Day to night  
 Night to Light  
 Through time and place  
 Past partitioning space  
 Pulsating paused dating  
 Stars dissolve fainting  
 Void  
 Vacuumed  
 Consumed  
 Frio con freddo  
 A supermassive stellar scene  
 But not seen  
 It's a Black hole!

*"The Centre"!*

The nucleus is always at the center of it all  
It is the central core at the Maestro's Ball  
The flawless fundamental foundation in the show  
Featuring the evolvement of the embryo  
Round running around the center's surround  
In rebounding surrounds sounds  
Resonating in planetary orbits pace  
Of inner and outer space  
The superimposing circumference twirls  
Radiating resonating and revolving in circular whirls  
Ending at the beginning!

Beginning at the end-  
Resolute  
    Absolute  
Symbiotically reflecting  
The negating of everything and anything  
    Zero  
The void-less void of the unsung hero!  
Now and then
