

HOLOGRAMS GAPS AND YOU

On Thu, Mar 24, 2011 at 10:05 AM, A FRIEND wrote:

HE LIVES AND WE ARE ALL HOLOGRAMS. BENDING OF SPACE AND TIME IN OUR OWN UNIQUE SEARCH OF THE ANSWER TO SINGULARITY

MY RESPONSE:

YUP - THAT HOLOGRAM THING THAT DAWNED ON ME A WHILE BACK (**SEE BELOW**) IS VERY INTERESTING I.E. THAT THE HOLOGRAM IS ACTUALLY A RECREATION OF GOD'S IMAGE HELD IN THE GAP I.E. GOD'S IMAGE OF THE HOLOGRAPHIC SUBJECT - AS AN OBVIOUS LOGICAL FACT.

WHICH IS FURTHER CONFIRMED BY THE AMAZING PROPERTY OF THE HOLOGRAPHIC DIFFUSION PATTERN - WHICH CAN BE CUT IT INTO A NUMBER OF PIECES ALL OF WHICH WILL RECREATE THE ENTIRE HOLOGRAM (AS LONG AS YOU CAN SHINE THE LASER THROUGH IT). THUS, CLEARLY DEMONSTRATING THAT THE IMAGE COMES FOR THE GAP / SPACE WHICH IS EVERY WHERE ON THE DIFFUSION PATTERN AND EVERY WHERE IN SPACE. YAHOO.

2-D CREATES THE 3-D AS WELL DEMONSTRATED BY THE HOLOGRAM

AN OTHER NEAT ASPECT OF THE HOLOGRAM AS BEING A REFLECTION OF THE IMAGE HELD IN GOD'S MIND. NOW THAT REALLY IS AMAZING I.E. THAT WE CAN TAKE A PICTURE OF AN IMAGE IN THE GAP, WHICH IS THE IMAGE IN GOD'S MIND.

WITH REGARD TO OUR SEARCH FOR SINGULARITY - ALL THINGS AUTOMATICALLY RETURN TO GOD. EXCEPT HUMANS - GOD HAS BEEN POUNDING US INTO BEING HUMAN FOR 1000s OF YEARS. ITS ALMOST LIKE - "I DON'T WANT YOU HERE IN MY HOUSE - GET YOURSELF OUTSIDE AND PLAY." OK MAMA.

SHE PROBABLY LOOKS AT BEING AN ATHEIST AS A GOOD THING. REASON: SHE WANTS SOMETHING NEW IN THIS UNIVERSE.

BENDING SPACE AND TIME - NEYT - THAT'S AN EINSTEIN IDEA. EVERYTHING MANIFESTS ACCORDING TO THE FIBONACCI SERIES, NOT EINSTEIN'S FORMULAS. THE OBSERVATIONS THAT SINGULARITIES LIKE BLACK HOLES AND LARGE

HEAVENLY OBJECTS ACTUALLY BEND LIGHT HAS TO DO WITH ANUs HAVING AN AFFINITY FOR ONE ANOTHER, WHICH IS THE ROOT CAUSE OF GRAVITY - AS CLEARLY EXPLAINED IN "BIG BANG DETAILS - THE LEAP IN THE SIZE OF THE AETHERS", WHICH IS ALSO THE EVENT WHEREBY LINEAL TIME BEGAN. TIME IS ALSO BENT AND ABSORBED BY THE GAP.

THE TERM SINGULARITY IS A MISNOMER AS IS THE TERM ZERO POINT. IT IS A GAP - NOT A POINT.

SEE HOLOGRAPH LOGIC BELOW

ONE MUST TOGGLE TO THE AETHER(S), THEN IT IS OBVIOUS THAT EVERYTHING HERE IS JUST A HOLOGRAPHIC PROJECTION

MAIN STREAM PHYSICS HAS ACTUALLY GOTTEN TO THIS POINT VIA THE HOLOGRAPHIC IMAGES - THEY JUST HAVEN'T QUITE TOGGLED TO IT.

THE CLASSIC HOLOGRAPHIC IMAGE IS A 3-D LIGHT IMAGE - REPRODUCTION OF THE REAL 3-D SUBJECT. SAY A PERSON.

THE WAY IT IS FORMED IS BY SHINING A LASER THRU A FILM THAT HAS A DIFFUSION PATTERN ON IT. THE DIFFUSION PATTERN CAUSES THE ORGANIZED LASER RAYS TO INTERSECT IN SPACE, MAKING POINTS OF LIGHT, WHICH CREATE AN IMAGE OF THE SUBJECT PERSON. THE 2-D DIFFUSION PATTERN CREATES A 3-D IMAGE.!!! DEAR SCIENCE, THAT SHOULD BE YOUR FIRST CLUE.

SCIENCE HAS THAT PART IN THEIR BOOK AND THAT REALLY IS THE WAY GOD WORKS I.E. GOD'S 2-D IMAGE MANIFESTS THE 3-D. CONSIDERING THE VAST AMOUNT OF SPACE INSIDE OF AN ATOM, THERE IS NO OTHER WAY FOR THE ATOM TO BE THERE, OTHER THAN BY CONFORMING TO GOD'S DREAM / IMAGE

THE WAY THE DIFFUSION PATTERN IS MADE VIA TWO LASERS BEAMS FROM THE SAME SOURCE I.E. ONE LASER BEAM IS SPLIT - HALF OF IT ILLUMINATES THE SUBJECT - THAT LIGHT BOUNCES OFF OF THE SUBJECT TOWARD THE FILM AND INTERSECTS THE REFERENCE BEAM - THE OTHER HALF OF THE SAME LASER.

SO, THE LIGHT DIFFUSED BY THE SUBJECT INTERSECTS ITS TWIN ORGANIZED LASER, WHICH CREATES A DIFFUSION PATTERN ON THE FILM. THE DIFFUSION PATTERN IS CREATED BY THE VIBRATIONAL 3-D LIGHT RAYS CREATING AN OPAQUE IMAGE ON THE FILM I.E. JUST LIKE A PICTURE - EXPOSING THE FILM.

SO, WHEN A LASER IS SHINED THRU THE FILM IT CAN ONLY PASS THRU THE UNEXPOSED AREAS IN TACT - WHEREAS, THE EXPOSED AREAS DIRECT THE LASER RAYS OFF AT AN ANGLE SO THAT THOSE RAYS WILL INTERSECT IN SPACE CREATING POINTS OF LIGHT, WHICH RECREATE THE IMAGE.

THIS IS UNBELIEVABLY SIMPLE - THEREFORE, THE IMAGE IS STORED IN SHADES OF THE GAPS ON THE FILM SINCE THE IMAGE IS IN THE GAPS ON THE FILM, IT HAD TO HAVE COME FROM THE GAPS IN THE SUBJECT. AND, THE GAPS PROVIDE THE ORGANIZING INFO FOR THE LASER'S TRAJECTORY.

PUT ANOTHER WAY - THE LASER ITSELF IS PARALLEL LIGHT RAYS - IN ORDER FOR THE LIGHT RAYS TO STAY ORGANIZED AND PARALLEL - THERE HAS TO BE A GAP BETWEEN THE RAYS THAT DOES THE ORGANIZING. THE RAYS ARE A 3-D ENERGY (A VIBRATION CAUSED BY A TORROID) WHEREAS THE GAP IS 2-D. SO, THE 3-D RAYS CREATE THE DIFFUSION PATTERN AND THE IMAGE IS CARRIED IN THE GAPS.

THEREFORE, THE HOLOGRAM IS ACTUALLY AN IMAGE COMING FROM THE GAPS IN THE AETHER.

WAY TOO SIMPLE FOR SCIENCE TO TOGGLE TO, BECAUSE THEY WILL NOT ACCEPT THE FACT OF THE AETHER - THAT DESPITE FAMOUS MICHELSON MORLEY EXPERIMENT HAS BEEN REDONE BY THE U.S. NAVY WITH A POSITIVE OUTCOME PROVING THE EXISTENCE OF THE AETHER.

THEREFORE, THE HOLOGRAM CLEARLY DEMONSTRATES THAT MATTER REALLY DOES EMANATE FROM IMAGES HELD IN THE GAP / GOD. AND ITS BEEN RIGHT UNDER OUR NOSES FOR 50 YEARS!!!

PLUS, MEDICAL LASERS DO AMAZINGLY CONFLICTING THINGS - LIKE ADDING PIGMENT TO SKIN WHERE IT IS MISSING AND REMOVING PIGMENT FROM SKIN WHERE THERE IS TOO MUCH - CAUSING AN IMMUNE RESPONSE AND REDUCING SWELLING, WHICH IS AN IMMUNE RESPONSE ETC. GOD IS IN THE GAP AND GOD KNOWS WHAT TO DO. THIS FACT IS GLARING IN THE CIBA "GEIGY" BACKWARD IN EVOLUTION PATENTED PROCESS, WHEREBY THE GAP ENERGY OF A CAPACITOR HOLDS THE IMAGE OF THE ABORIGINAL LIFE FORMS, WHICH IS IMPOSED EVEN ON GENETICALLY MODIFIED DNA.

THEREFORE, ABSOLUTELY, POSITIVELY GOD HOLDS THE ABORIGINAL IMAGE FOR US IN THE GAP / THE BUDDHIST BARDO / THE GAP

NEAT HUH

BLESSINGS,
