

Love is God, let love flow.  
Help us open our hearts and let You in.  
Please guide us and let love flow  
To every living thing.  
We are all part of You Lord, let love flow.  
May we feel part of You in our very being  
And let Your love flow out of us  
In all that we are doing.  
Help us put into action  
All the love in our heart  
Through a word, a smile, a helping hand.  
We begin to understand  
The meaning of Your message Lord  
To love our fellow man.

~ Lyrics to 'Love Is God' from the CD 'Dear Soul' ~  
By Renu Gidoomal

*LOVE IS THE VERY NATURE OF LIFE  
AS BURNING IS THE NATURE OF FIRE  
OR WETNESS OF WATER  
OR SWEETNESS OF SUGAR*

- *BABA*

Wherever you go for service,  
Swami will always be with you.  
Whatever happens I shall always protect you.  
Do not be carried away by profit or loss.  
Think of God ceaselessly.
