

MATTER BRAIN CONNECTION

A LETTER TO THE PRES. OF THE BIO-ELECTRO-MAGNETICS INSTITUTE – HE WAS HEAVY INTO BRAIN MAPPING VIA THE SQUID – SUPERCONDUCTING QUANTUM INTERFERING DEVICE.

JOHN,

I RAN ACROSS YOUR MESSAGE THE OTHER DAY AND IT HAS BEEN WEIGHING ON MY MIND:

the way consciousness controls matter and particularly imprints water with messages is via the magnetoencephalogram --- the tiny magnetic fields associated with every thought, experience, and emotion = BRAIN WAVES WHICH ARE 3-D

OBVIOUSLY - ABSOLUTELY - THE BRAIN CREATES WAVES - WELL THE WHOLE BODY DOES ALSO - THE "BODY ELECTRIC" AND ALL WAVES HAVE INFINITE EFFECTS.

HOWEVER, THERE ARE A NUMBER OF OBSERVED PHENOMENA THAT CAN NOT BE EXPLAINED VIA 3-D / 4-D WAVE FORMS THAT ARE NOT SUBJECT TO THE SPEED OF LIGHT.

(nor can they be explained via: non-locality, relativity, the first law, bohm aharonov, quantum entanglement - none of these classic precepts explain kinesiology, the 100th monkey, precognition, de ja vu, schools of fish, flocks of birds - well the connectivity aspect of quantum entanglement comes close, but that doesn't explain the mechanism via which it works - because that mechanism operates **out side of time**. obviously bell's theorem and connectivity/ entanglement go hand in hand - but that is a one off - trying to put an electromagnetic explanation on a observed fact that negates relativity, non-locality and the first law) (the only way we can look at these things is via a uniform field composed of the aether & anus)

FOR EXAMPLE:

KINESIOLOGY - HOW DOES ONE EXPLAIN THE BODY'S ABILITY TO KNOW SOMETHING THAT IT HAS NO ACTUAL KNOWLEDGE OF? NOW THESE EXPERIMENTS WERE DONE MILLIONS OF TIMES AND THE FACTS ARE IRREFUTABLE WITH VIRTUALLY PERFECT RESULTS EVERY TIME. IN OTHER WORDS, THE BODY POSSESSES INFORMATION THAT CAN NOT BE ATTRIBUTED TO A BRAIN WAVE. (you could call it mass entanglement or as Jung would put it - connectivity to the un-conscious - unfortunately if the body knows **now** - then there is no un-conscious = uniform field - meaning by connecting there-with one can attain an all-knowing all-seeing state.)

Kinesiology - Free CD

David Hawkins Free Talking Book CD Remarkable Journey To Enlightenment

www.nightingale.com

THE TWO EXPERIMENTS MENTIONED IN "WHAT THE BLEEP?"

1) WHERE THEY STIMULATED THE AREA OF THE BRAIN ASSOCIATED WITH TOUCHING A PARTICULAR FINGER AND THE FINGER WOULD GET THE MESSAGE - ALTHOUGH SLOWLY. CONVERSELY WHEN THEY STIMULATED THE FINGER DIRECTLY - THE BRAIN WOULD REGISTER THE MESSAGE FASTER THAN POSSIBLE VIA THE NERVOUS SYSTEM!!!

THAT'S WHAT THEY SAID. (connectivity/entanglement fits - but, only because this is a one of - this still = uniform field)

2) WHERE THE BODY WOULD REACT BEFORE HAND TO EMOTIONAL AND NON-EMOTIONAL SCENES DISPLAYED ON A COMPUTER SCREEN BY A RANDOM EVENTS GENERATOR. SO, HOW DID THE BODY KNOW BEFORE HAND? (whoops - duh - i don't know what precept of physics, psychology or religion fits this one. but, all things are contained in the uniform field of the aether & anus = god)

THAT PRECOGNITIVE ABILITY IS SIMILAR TO THE PARTICLES IN BELL'S THEOREM - THEY COMMUNICATED EVERY TIME WHILE TRAVELING AWAY FROM ONE ANOTHER AT TWICE THE SPEED OF LIGHT THAT WAS BORING. **SO THEN THE EXPERIMENT WAS PURPOSELY STRUCTURED SO THAT ONE PARTICLE HAD TO KNOW BEFORE HAND - IT DID - EVERY SINGLE TIME.** AS YOU KNOW BELL'S THEOREM IS ONE OF ONLY TWO SUB-ATOMIC EXPERIMENTS THAT IS PERFECTLY REPLICABLE EVERY TIME - PRODUCING THE SAME RESULT - NO MATTER WHO THE EXPERIMENTER IS NOR WHAT THEY THINK ABOUT IT. (as Bell himself said in a video i watched, "it is as if the particle gets the message before it is sent.!")

SO, A SIMPLE QUESTION - HOW? AND THE ANSWER IS NOT VIA ANY KNOWN MEASURABLE ELECTROMAGNETIC WAVE - VERY SIMPLY BECAUSE WE KNOW THEIR SPEED AND THESE THINGS HAPPEN WELL BEFORE SUCH WAVES COULD GET THERE - OUTSIDE OF TIME - BUT, WITHIN THE UNIFORM FIELD.

THIS ALSO EXTENDS TO THE THOUGHTS, FEELINGS, EMOTIONS, MEMORIES AND EVEN PERSONALITY TRAITS THAT ARE TRANSFERRED VIA ORGAN TRANSPLANTS AS DESCRIBED IN THE ATTACHED "MEMORIES ARE MADE OF THIS" ESSAY. THE ORGAN TRANSPLANT PHENOMENA IS A FACT THAT CAN NOT BE EXPLAINED BY BRAIN WAVES - THE ORGANS DON'T HAVE THEM. OBVIOUSLY THE ORGANS ARE

CONNECTED TO THE BODY ELECTRIC - BUT, IF THEY PRODUCED BRAIN WAVES - THAT WOULD HAVE BEEN DETECTED LONG AGO.

THEN, OF COURSE, THERE ARE THE OBSERVED PHENOMENA OF DEJA VU AND PRECOGNITION, WHICH DO PRODUCE BRAIN WAVES - BUT, BASED ON WHAT INFORMATION? I MEAN, IF MEMORIES AND THE BRAIN'S CONNECTION TO MATTER IS STRICTLY ELECTROMAGNETIC, THEN ALL CURRENT INFORMATION HAS TO BE BASED ON PREVIOUSLY HELD INFO, WHICH NEGATES THE POSSIBILITY OF KNOWING BEFORE HAND. (as far out as Bohm Aharonov is - it does not come close to explaining precognition)

BETTER YET - WHAT ABOUT OUT OF BODY EXPERIENCES (OBE)? DR. TUCK HAYES HAS DONE SUCH AT THE MONROE INSTITUTE IN VIRGINIA. HUNDREDS OF THOUSANDS OF PEOPLE HAVE DONE SUCH. THE EXPERIENCED OBE TRAVELERS CAN VERBALLY REPORT SIMULTANEOUSLY WHILE VIEWING A SCENE AT A HUGE DISTANCE FROM THE BODY - REMOTE VIEWING - SO TO SPEAK. NOW THIS DEFIES ANY ELECTROMAGNETIC EXPLANATION. HOWEVER, IT DOES POINT TO A METHOD OF IMPRINTING WATER WITH AN IDEA I.E. THE BRAIN MATTER CONNECTION, WHICH I AGAIN SUGGEST CAN ONLY BE DONE VIA THE ANU, AS EXPLAINED IN THE ATTACHED "MIKE'S MESSAGES IN WATER" ESSAY.

LET'S SAY THIS - THE IDEA OF LOVE AND GRATITUDE DOES TRANSMIT TO THE WATER - DR. EMOTO HAS PROVEN THAT BEYOND ANY SHADOW OF A DOUBT. FURTHER, IDEAS ARE ALSO TRANSMITTED VIA ORGAN TRANSPLANTATION. AND, COMPLETE INFORMATION & IDEAS ARE AVAILABLE TO THE REMOTE VIEWER.

HOW?

NOW, SINCE, THE ENERGY FIELD AROUND THE ORGAN CAN BE PHOTOGRAPHED AND SHOWN TO BE AN ANU - DAN WINTERS DID THIS ON HEARTS. AND THE ENERGY FIELD AROUND THE BODY IS AN ANU - THIS IS THE SAME ENERGY FIELD THAT LEAVES THE BODY DURING OBE IS ALSO DESCRIBED AS BEING A BUBBLE / ANU. THEN WE SHOULD BE ABLE TO STATE WITH CONVICTION THAT THE MATTER BRAIN CONNECTION IS ACCOMPLISHED VIA THE ANU. IT IS THE MECHANISM VIA WHICH THE MESSAGES ARE IMPRINTED ON DR. EMOTO'S WATER.

THERE IS PLENTY MORE - THE BAXTER EFFECT FOR EXAMPLE. YA - THE BAXTER EFFECT IS A VERY GOOD ONE - CLIVE BAXTER PROVED THAT PLANTS HAVE THOUGHTS, FEELINGS AND EMOTIONS - PLUS SHORT AND LONG TERM MEMORY - AND THEY DON'T EVEN HAVE A BRAIN - BUT,

THEY ARE SURROUNDED BY AN **ANU - WHICH IS THE FIRST NAME OF GOD IN THE ANCIENT TEXTS.!!!**

THE PLANTS ALSO EXHIBITED PRECOGNITION SIMILAR TO THE HUMAN BODY DOING SO IN FRONT OF THE RANDOM EVENTS GENERATOR. THIS WAS RECORDED IN EXACT TIME VIA A POLYGRAPH - A LIE DETECTOR, WHICH DOESN'T LIE. (but, maybe we do - to ourselves even!)

BLESSINGS,
M

AND THEN THIS FAMOUS ONE:

The Hundredth Monkey

by Ken Keyes, jr.

The Japanese monkey, *Macaca fuscata*, had been observed in the wild for a period of over 30 years.

In 1952, on the island of Koshima, scientists were providing monkeys with sweet potatoes dropped in the sand. The monkeys liked the taste of the raw sweet potatoes, but they found the dirt unpleasant.

An 18-month-old female named Imo found she could solve the problem by washing the potatoes in a nearby stream. She taught this trick to her mother. Her playmates also learned this new way and they taught their mothers too.

This cultural innovation was gradually picked up by various monkeys before the eyes of the scientists.

Between 1952 and 1958 all the young monkeys learned to wash the sandy sweet potatoes to make them more palatable.

Only the adults who imitated their children learned this social improvement. Other adults kept eating the dirty sweet potatoes.

Then something startling took place. In the autumn of 1958, a certain number of Koshima monkeys were washing sweet potatoes -- the exact number is not known.

Let us suppose that when the sun rose one morning there were 99 monkeys on Koshima Island who had learned to wash their sweet potatoes.

Let's further suppose that later that morning, the hundredth monkey learned to wash potatoes.

THEN IT HAPPENED!

By that evening almost everyone in the tribe was washing sweet potatoes before eating them.

The added energy of this hundredth monkey somehow created an ideological breakthrough!

But notice.

A most surprising thing observed by these scientists was that the habit of washing sweet potatoes then jumped over the sea --

Colonies of monkeys on other islands and the mainland troop of monkeys at Takasakiyama began washing their sweet potatoes.

Thus, when a certain critical number achieves an awareness, this new awareness may be communicated from mind to mind.

Although the exact number may vary, this Hundredth Monkey Phenomenon means that when only a limited number of people know of a new way, it may remain the conscious property of these people.

But there is a point at which if only one more person tunes-in to a new awareness, a field is strengthened so that this awareness is picked up by almost everyone!

(from the book "The Hundredth Monkey" by Ken Keyes, Jr. The book is not copyrighted and the material may be reproduced in whole or in part.)

THIS PHENOMENA IS DEMONSTRATED REGULARLY BY SCHOOLS OF FISH AND FLOCKS OF BIRDS THAT SEEM TO SHARE THE SAME MIND ALL THE TIME.

MAYBE, BECAUSE THEY ARE PART OF THE UNIFORM FIELD - THEIR ANUS ARE ALWAYS CONNECTED VIA THE AETHER. (ditto Bell's theorem)
