

OBSERVATIONS ON FREEDOM

THIS IS REAL GOOD STUFF

SEEMS THAT THIS PLANET HAS BEEN A VERY SPECIAL EXPERIMENT IN FREE WILL.

THIS IS TRUE ABOUT THIS PLACE, WHAT HAPPENS IN FRONT OF US IS FATE, WHAT WE DO ABOUT IT IS SELF EFFORT. WE HAVE FREE WILL TO JUDGE WHAT WE SEE IN DIFFERENT WAYS, 3-D ALLOWS THAT. IN 2-D EVERYTHING IS OBVIOUS.

OF THE 150+ ALIEN RACES THAT WATCH US THE VAST MAJORITY ARE HERE TO RIDE OUR DREAMS AND OBSERVE OUR FREE WILL, WHICH THEY DO NOT EXPERIENCE!!! IT IS A UNIFORM FIELD OUT THERE. SPACE, THE RULE, THE AETHERS AND THE ANUs ARE EVERYWHERE – IT'S ALL THE SAME.

LOTS OF ROOM TO CREATE AND BE IN CREATION BUT IT IS ALL A MATHEMATICALLY PERFECT CONSTRUCT AND SO LOVELY. BUT BORING FOR SOME – OTHERWISE WE'D NOT BE HERE.

SO, HOW HAS FREE WILL WORKED AS AN EXPERIMENT – WELL ONE IS MEANT TO FLY IT IS A NATURAL ABILITY THAT HAS BEEN DUMBED OUT OF US – OF OUR OWN FREE WILL – WE ALL KNOW THAT “THEY” ARE RUNNING THINGS.

AND, THEN THIS COMES INTO VIEW TODAY: “SECRET SOCIETIES AND THEIR POWER IN THE 20th CENTURY” BY JAN VAN HELSING. P11 THE WHOLE BOOK IS VERY WELL WRITTEN AND EASY TO DOWNLOAD.

QUOTE

The “strategy of ridicule” used by the Anglo – American establishment has so far cost billions of dollars, just to denigrate the UFO theme by the mass media ...

On top of that: the first law in a secret lodge is to never be mentioned publically, even saying the lodge name by a lodge brother is punishable by death ... Club 99 being a case in point.

In the secret school of Pythagoras pronouncing the last theorem, the “octagon” was also punishable by death. The octagon is an important key to understanding the “MERKABA” (the human geometric magnetic fields) and is therefore “illuminating”, that means a solution to our problems. (Mer-ka-ba = two counter rotating light fields, which transport both body and spirit = dematerialization and teleportation of the body.)

Secrecy is proper power. It allows the execution of operations without them being hindered by legal entanglements or potential opponents, and it also fosters the interchange of higher knowledge among the knowing.

Let us look at ... the words of a play by Umberto Eco: when the blind abbot asks the researching William of Baskerville, “What do you actually want?” Baskerville answers: “I want the Greek book which you say was never written. A book dealing exclusively with comedy that you hate as much as laughter. ... written by Aristotle making it very dangerous

Baskerville: “What is so disquieting about people laughing?”

The abbot: "Laughter kills fear, and without fear there is no faith. Who does not fear the devil no longer needs a God."

UNQUOTE

SO, THE SECRET SOCIETIES ARE KEEPING ALL OF THE GOOD INFORMATION ABOUT TELEPORTATION AND EVEN LAUGHTER TO THEMSELVES – DENYING US THE FREEDOM OF FLYING, LEVITATION & TELEPORTATION THAT IS AVAILABLE VIA THE MERKABA. HOW MANY OF US KNOW THAT?

"LAUGHTER KILLS FEAR"

JOY IS SO IMPORTANT.

HOWEVER, FREEDOM ALLOWS ALSO SECRETS IN 3-D, WHEREAS, SECRETS ARE NOT POSSIBLE IN 2-D, THEREFORE, THE FREE WILL EXPERIMENT WILL WORK VERY WELL IN THE HEAVENS AND IT WILL BE GREAT FUN.

HEAVENLY HAPPINESS

AN IMPROVEMENT WITHIN THE HEAVENS – AND WE DID OUR PART VIA CREATING IDEAS OF FREEDOM AND JOY.

THE COWBOY'S STATE OF MONTANA IS AN ARCHTYPE IN THIS REGARD.

YAHOO!!!
